

Salvage Company of the Year

Awarded to a company that has set industry benchmarks in one or more of the following areas in the last 12 months: successful projects, safety, operations, technical excellence, crewing and training, ESG.

Sponsored by

UZMAR

Smit Salvage

Spearheaded complex, high-profile 2022-2023 projects requiring urgent mobilisation and methodical planning like 1.1+ million barrel FSO Safer oil removal and Fremantle Highway vehicle recovery. Possesses world-class emergency response capabilities backed by specialised vessels like dedicated firefighting craft.

- Safely extracted SAFER's oil averting an ecological disaster
- Rapid mobilisation of resources for ship fires
- Spearheaded recently the highest profile incidents

Tsavliris Salvage

Technical excellence moving casualties even in poor conditions like the Gazibey towage. Long-term industry leader through the Alexander Tsavliris Scholarship.

- Towed drifting Gazibey to shelter in adverse North Sea weather
- Dedicated Gazibey crew remained with casualty at sheltered anchorage for 7 days to manage engine repairs
- Merit-based scholarship gives back to next generation

Resolve Marine

Agile mobilisation of vast purpose-built gear inventory to tailor solutions demonstrated via rolled boat righting in South Africa and rapid week-long sunken tug response in the US.

- Custom framing rollout to right overturned sailboat
- Performed environmental remediation work, removing over 100,000 gallons of sewage and oily waste from the Aleutian Islands and surrounding areas
- Responded to a fire in March 2023 on a fish processing vessel Kodiak Enterprise docked in Tacoma, Washington
- Supported the salvage of a sunken tug off of Myrtle Beach, South Carolina in August 2023

Mubarak Marine

Mubarak Marine is a regional leader in the Middle East for complex salvage and wreck removal projects. Notable jobs include the successful refloating of a politically-sensitive container ship grounding on Abu Musa Island and decommissioning a collision-damaged oil platform in Iran

- Rescued grounded container ship in politically-sensitive area
- Used ROVs, divers and coiled tubing to decommission damaged oil platform
- Balanced stakeholder interests in US-sanctioned country

Multraship Towage & Salvage

In 2023, Multraship successfully completed a number of high-profile operations including the Fremantle Highway car carrier fire, preventing a major environmental disaster.

- Responded to Fremantle Highway fire, safely extinguishing blaze and removing pollutants
- Rescued stranded Oceaan II tug and drifting Perseus pilot vessel in challenging conditions
- Rapidly mobilized 6 tugs to control Torm Loke tanker breakaway
- Partnered to salvage sunken Jogo 4 barge blocking vital waterway
